

EL VALLE GOLF COURSE - BAÑOS Y MENDIGO, SAN JAVIER/MURCIA

El Valle Golf Course opened in 2005 and is one of the 6 IRM Golf Experience golf courses in Murcia designed by Jack Nicklaus.

The course has 18 holes and is a par 71, it is a little different from the rest of the Nicklaus Golf Trail courses because it's situated in a small valley, surrounded by impressive views of the Murcian hills and countryside.

The course is undulating and has been well designed utilising the natural terrain and incorporating some very well placed hazards.

Challenges of El Valle golf course include groups of subtly shaped bunkers that sink into the desert landscape of holes surrounded by natural rocks.

Two lakes and cascading brooks add to the difficulty on the back nine including the par 4, 14th hole which has a lake down the left, out of bounds down the right and a small brook strategically placed around the green, accuracy is paramount on this hole.
