

## GRAN ALACANT

**Gran Alacant** is essentially a big urbanization and a suburb of Santa Pola. It has several commercial areas, a market every Thursday morning and a Tourist Train, which is a great way to discover Gran Alacant as it runs through the area connecting everything. There is a stunning cliff top walk to the lighthouse and another one at the base of the cliffs through the pines. The fine sandy beach stretches north to Arenales del Sol and south to the start of the scenic drive to Santa Pola, along which there are a number of “chill out” beach bars in the summer.
