

LA SERENA GOLF COURSE - LOS ALCÁZARES, MAR MENOR, MURCIA

La Serena Golf Course and Resort is situated close to Los Alcázares in Murcia on the coast of the Mar Menor.

The course was designed by Manuel Piñero who played in the Ryder Cup team on two occasions. The course is quite flat and not overly long, but don't let that make you think it is easy with the prevailing Levante wind and water hazards that come into play on 16 of the 18 holes, this course will definitely test every level of golfer.
