

LA TORRE GOLF COURSE - ROLDAN/TORRE PACHECO, MURCIA

La Torre Golf Course opened in 2005 and is one of the 6 IRM Golf Experience golf courses in Murcia designed by Jack Nicklaus.

This course is one of the shorter courses in the Nicklaus Golf Trail with four sets of tees and a Par 68, having said that the course is a typical Jack Nicklaus design, with strategically placed bunkers and waste areas that will make you think about your club selection on almost every hole.

There are three large lakes that come into play on 6 holes and the golf course is complemented with lush landscaping and great views.

Beware of the par 39th and 11th holes, they can quickly ruin a good card.

La Torre golf course has over five hectares of elaborate bunkers and waste areas, often running between the holes, that demand a level of respect and accuracy to every shot.
