

LOS ALCÁZARES

Los Alcázares is situated right on the shores of the Mar Menor. It is very seasonal as it has a resident population of about 12,000 which increases to almost 100,000 during the summer.

Los Alcázares has a fantastic coastline with over 7 kilometres of sandy beaches which give direct access to the warm waters of the Mar Menor. Parallel to these beaches and running the entire length of town is the extremely long promenade, which is great for walking and in the quieter winter months cycling. The town centre is relatively spread out and has a good selection of shops whilst the Bahia Centre in the Los Narejos area is packed with international eateries which are always busy during high season. The street market is held every Tuesday morning in Los Alcázares and if you miss that one there is also one in Los Narejos on a Saturday morning. If that isn't enough there is always the the two main local golf courses of La Serena and Roda or the popular Golf Delux miniature golf course.
