

PLAYA FLAMENCA

Playa Flamenca is one of several areas within the Orihuela Costa. It is a very popular destination with a large seafront plaza and an award winning fine sandy beach, rocky coves, cliffs and great views. It is one of the starting and stopping points on the Orihuela Costa coastal walking route as well as being home to the CDM Orihuela Costa municipal sports centre, which has an indoor swimming pool, a selection of courts, a running track and a couple of 7-a-side football pitches. Playa Flamenca has many commercial centres offering a selection of shops and places to eat, a helpful tourist office and the Saturday morning market is one of the largest and busiest in the area.
