

RODA GOLF COURSE - SAN JAVIER, MAR MENOR, MURCIA

Roda Golf Course is situated close to the Mar Menor in Murcia, Spain. The golf course itself was designed by the renowned designer Dave Thomas and he has managed to create something special here. There is a mix of shrubs and plants adding beautiful colour to the stunning landscape and then some strategically positioned lakes and streams add to the views but also the golf experience.

The 18 hole, par 72 course's most attractive feature is its unique waved design, it looks fantastic and can be tricky at times, It is always in great condition and the fairways are generous and well cut, the signature hole has to be the impressive 7th island green, par 3 which will test your nerves.

The course has a wonderful modern designed clubhouse with bar and restaurant where you can sit out and enjoy the views across the course while you discuss the best shots of the day.

If you are looking to play a tricky course with fantastic surroundings and great facilities to match, Roda Golf Course is one for you to consider.
