

SAN MIGUEL DE SALINAS

San Miguel de Salinas is a fair size village which sits on a hill above the pink Laguna de Torrevieja and offers impressive views over the countryside to this working lake with its salt piles. It is a quaint inland village with a traditional church square, town hall, tourist office, Las Cuevas (the cave houses), a main high street, band stand, a municipal open air swimming pool for use during the summer, a busy street market every Wednesday morning and the beautifully situated El Castillo (the castle) De Cones restaurant.

Included within the limits of San Miguel de Salinas is the urbanization area of Entre Naranjos, next to Jacarilla's Vistabella golf course, also within the proximity is the small town of Torremendo and the hamlet of Rebate, both being very near to the very picturesque Pedrera reservoir.
