

## TORRE PACHECO

**Torre Pacheco** is a large inland town which has some unique places of interest to offer everyone. The town centre is relatively spread out and has a good selection of shops and eateries. The best day to visit Torre Pacheco is on a Saturday morning when the lively street market adds to the atmosphere. There is a train station which, on a normal weekday, has about six trains traveling to the cities of Cartagena and Murcia.

There is a charming 9 hole par 3 pitch and putt course situated within the town, it opened in 1989 and is very mature, it's also full of character with a couple of water hazards and strategically placed bunkers which offer a fun day for all. There is a small café at the entrance with views over the course.

The IFEPA has been an exhibition centre since the 1990s. It regularly hosts a large selection of exhibitions and events such as the Second Hand Car Fair, the Equimur Horse Show and the International and National Dog Show.
